### A Guidebook for Families New to Scouting

*Welcome to the fun and  
excitement of Cub Scouting!*

*Where character counts and  
the adventure begins....*

# Your Son, Scouting, and You

As a parent, you want your son to grow up to be a person of worth; a self-reliant, dependable, and caring individual. Scouting has these same goals in mind for him.

Cub Scouting is a home and neighborhood centered program designed to support family life for boys in the first through fifth grades. Each Cub Scout learns to respect his home, country, God, and other people.

Since 1910, we have been weaving values to live by into fun and educational activities designed to assist parents in strengthening character, developing good citizenship, and enhancing physical and mental fitness in youth.

These values will help your son make good decisions throughout his lifetime and give him confidence, as he becomes an adult leader of tomorrow.

Scouting provides your son with a positive peer group, and a program that is fun and adventurous. It helps him to "be prepared" to shape his own future.

Scouting teaches family values. We know that boys do not join scouting just to get their character built. Boys join because it is fun.

This booklet has been designed to give parents a brief, yet informative overview of the Scouting program. The Chief Seattle Council and Pack 793 welcomes you and your son to the world of Cub Scouting. Have fun!

*Scouting is Fun with a Purpose!*

# Tiger Cub Program – First Grade

*Tiger Cub Motto: Search, Discover, Share*

Tiger Cubs is a 1-year program for first-grade boys. Each boy participates with a parent (or another adult family member) in family-oriented activities. These include things from family camping to preparing for emergencies.

Each Tiger den has a Tiger Den Leader. The Tiger Den Leader helps coordinate the Tiger Den meetings but each boy/adult team takes turns running activities and working with the Tiger Den Leader. The Time you and your son spend in Tiger Cubs is meant to be fun, a chance to get to know one another better and do things with your family as well as other members of the Tiger Cub group.

# Cub Scout Program – Second through Fifth Grade

*Cub Scout Motto: Do Your Best*

In society, where your son is often taught that winning is everything, Cub Scouting teaches him to “do his best” and be helpful to others.

Cub scouting is a home and neighborhood centered program designed to support family life for boys in second through fifth grades. Each Cub Scout learns to respect his home, Country, God and other people. The program also helps boys this age to:

- Learn new physical skills through sports, crafts and games.
- Learn how to get along with others through group activities.
- Reinforce mental skills such as writing and calculating.
- Develop personal independence.
- Build self esteem

A Cub Scout den provides your son with a group of boys his own age in which he can earn awards and recognition. In the den, he will also gain a sense of personal achievement for the new skills he learns.

# The Advancement Plan

In order to strengthen family bonds, the responsibility for a boy's advancement in Cub Scouting lies with the family rather than the pack. Some advancement requirements are done at den meetings, but most are completed at home with the family. Recognition happens at the monthly pack meetings.

## Tiger Cubs

The Tiger Cub Badge is earned after completing five achievements grouped into three areas: Den Activity, Family Activity and Go See It. After completing the Tiger Cub Rank, boys may earn one Tiger Track bead when he completed 10 electives. There is no limit to the number of Tiger Cub beads a boy can earn. Advancements are displayed on a Tiger Cub Totem, which is worn on the right pocket.

Prepared. For Life.™

## Bobcat

All new Cub and Webelos Scouts, regardless of age, earn the Bob cat badge first by learning the Cub Scout promise, law of the pack, handshake, salute, sign, motto and meaning of Webelos. After receiving the Bobcat badge, the boy works on requirements based on his grade or age.

## Wolf

A Cub Scout who has finished the first grade (or is age 8) works on 12 achievements to earn the Wolf badge. After earning the Wolf badge, boys work on electives and earn "arrow points" until he is old enough to begin work on the next rank.

## Bear

A Cub Scout who has completed second grade (or is age 9), completes 12 of 24 achievements to earn the Bear badge. After he earns his Bear badge, a boy may work on electives in different interest areas until he is old enough to begin work on the next rank. For every 10 electives a boy completes, he earns an Arrow Point. A boy may earn as many Arrow Points as he wishes.

## Webelos Scouts

When a Cub Scout has completed the third grade (or becomes 10 years old,) he transfers to a Webelos den, led by an adult Webelos leader. The boy works on requirements for the Webelos Badge, 20 activity badges, and the *Arrow of Light Award* (the highest award in Cub Scouting), which prepares him for Boy Scouting.

Camping and outdoor programs are an important part of the Webelos program. The structure of the Webelos program is different from the earlier Cub Scouting programs in that the boy takes more of a leadership role in fulfilling requirements, a part of the transition into Boy Scouting.

In the Webelos Scout's fifth grade year, he crosses over into the adventure of Boy Scouting.

Every boy deserves an opportunity to be a Boy Scouts

# Cub Scout Motto

The Cub Scout Motto is: ***Do your best!***

A motto is a rule for living. The Cub Scout motto asks you to do your best at all times. You do your best in school and at home. You do your best to help your team win a game. You may not do something as well as another boy, but do as well as you can. That is what the motto means.

# Cub Scout Promise

The Cub Scout Promise is:

*I, \_\_\_\_\_, promise*

*To do my best to do my duty to God and my country,*

*To help other people, and*

*To obey the Law of the Pack.*

When you say you will do something, that is a promise. In the Cub Scout Promise, you promise to put God first and to do what He asks of you. Duty to my country means you will be a loyal and proud American. To help other people is to offer your assistance when needed. To be a good Cub Scout means you must obey the Law of the Pack.

# Law of the Pack

The Law of the Pack is:

*The Cub Scout follows Akela.*

*The Cub Scout helps the pack go.*

*The pack helps the Cub Scout grow.*

*The Cub Scout gives goodwill.*

Akela (say Ah-KAY-la) means "good leader" to a Cub Scout. Akela is your mother or your father and your Cubmaster or Den Leader. In the Law of the Pack, you say you will, follow Akela which means you will walk in the steps of your Cub Scout leaders and help the pack go. You will attend Cub Scout meetings and do what you can to help. You will learn new games, skills and crafts. This is how the Cub Scout grows. The last part of the Law of the Pack says you will give goodwill, which means to smile, be happy, and help others. Help does not have to be big - small things help too.

# Cub Scout Sign

Make the sign with your right hand. Hold your arm straight up. The two raised fingers stand for two parts of the Promise- "to help other people" and "to obey the Law of the Pack." They look like the sharp ears of a wolf listening to Akela.
